Subject: Appreciation and Acknowledgement of Affiliation

Dear Mr. Rezaul Karim,

On behalf of the British Council I would like to extend my appreciation for your role in promoting the British curriculum and school qualifications in the Sirajganj district of Bangladesh. Since your institute received British Exam Board Pearson (centre number: 90497) affiliation in 2002, you have prepared hundreds of students for their GCSE and A level examinations.

As the sole provider of internationally recognised school qualifications in your district, you have opened doors to life-changing education opportunities that would otherwise have been closed. The British Council acknowledges and appreciates your continued commitment to raising standards in teaching and learning.

Yours faithfully,
